Foreword

This year's Seahawk Annual Staff has tried to capture the dedication and the school spirit each student has for Myrtle Beach High School.

From the wild maelstrom of our football games to the quiet closing solitude of another school day, togetherness and school spirit walk hand in hand down the corridors of our Alma Mater.

To you, the students, who have made this school what it is today — a place of learning and growing — we give this yearbook in hopes that it will hold everlasting memories and the knowledge that you are a member of this proud institution.

A warm smile, a cheerful greeting, and a deep interest in every student with whom she comes in contact, has made Mrs. Bess Fleckman not only a guidance counselor but a friend.

She has given her time and energy in helping us through our trying times, but she has given something more important. To each student she has given a part of herself.

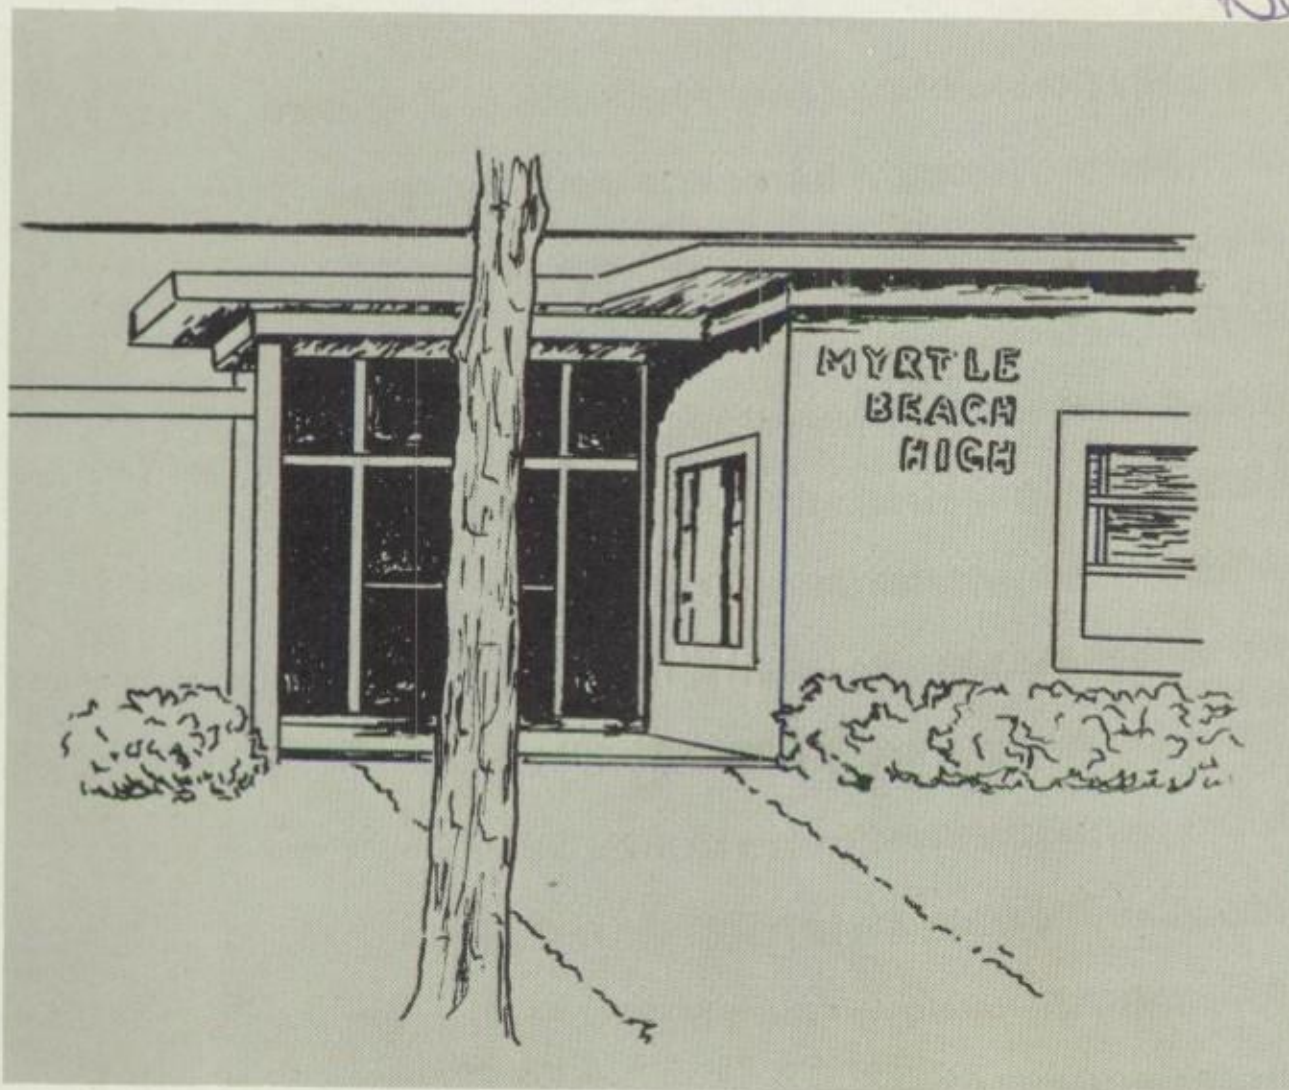

To you, Mrs. Bess Fleckman, we, the Senior Class of 1965, do hereby dedicate this **Seahawk Yearbook** in hope that it may be tangible proof of our deep appreciation and love.

Bethie - oh little one, oh little one!

I'm truly sorry I haven't written.
 I'm just a lazy good-for-nothing. ^{How true T.}
 I really miss you a lot and I hope
 you come to visit me this summer.
 It just isn't the same around old
 M. B. H. S. without your smiling face. ^{How true again T.}
 I hope you're having fun in Charleston
 but don't forget little ole M.E. Always
 stay as sweet as you are now. I
 promise that I'll stay as goofy and
 crazy as I am now. Lots of love
 and luck. I hope to see you soon.

Your lazy-but I hope not

To capture the spirit of Myrtle Beach High School in all it's activities is the main purpose of the Annual staff. To do a good job of this takes not only a hardworking staff but an enthusiastic student body. The Student Body has more than contributed its part this year and it is our hope that you feel we have done our part.

Perhaps the most influential student group in existence is the Student Council. The passing of laws, sponsoring of dances and get-togethers, and the all-important job of supporting the democratic way of life at Myrtle Beach High School make this club indispensable to the functioning of a good school. Not only does the Student Council try to help the students, but they also relieve the load of teachers by monitoring and guiding the student body.

STUDENT COUNCIL

The Drama Club has provided talented actors and actresses with an opportunity to display themselves. This year the club has taken a large step forward with the installation of the National Thespian Society, Groupe 2562. This is a national honor and service organization devoted to the advancement of the dramatic arts in secondary schools.

FUTURE TEACHERS OF AMERICA

Left to Right: JoAnn Stack, Kent Copeland, Beverly Walker. Back Row: Miss Wilson, Mary Lee Layne.

The purpose of the F. T. A. is to interest good students in becoming teachers. It offers potential teachers experience which helps them develop readiness for an education course in college.

An F. T. A. member must maintain average grades in each subject and must be willing to work when called upon.

F. T. A. members help the teachers with work such as grading papers, keeping records, and acting as substitute teachers. The FTA serves as a stepping-stone for students interested in teaching as a career.

The Future Homemakers of America Club helps prepare girls to become better homemakers and citizens of tomorrow.

Any girl currently or previously enrolled in Home Economics is eligible to belong just as long as she participates actively.

The Future Homemakers meet bi-monthly — one meeting for business and one for pleasure. They participate in county, district, and state Future Homemakers activities. During their study halls, Future Homemakers staff the new First Aid Room. They are also available for community affairs.

Mr. Ronald K. Jones
Editor-in-Chief, Seahawk Annual
Myrtle Beach High School
Myrtle Beach, South Carolina 29577

Dear Mr. Jones:

Thank you for your letter and the photographs of the lovely contestants vying for the title of "Miss Seahawk".

The choice was a difficult one to make, since each of the young ladies possess individual qualities of beauty. After much deliberation, I chose Miss Carol Anne Able, senior, as "Miss Seahawk". Miss Able expressed the fine quality of humility in her letter.

After further consideration of the photographs and letters, I selected the following from each class:

Miss Freshman - Joan Gause
Miss Sophomore - Pam Burroughs
Miss Junior - Anne Blizard
Miss Senior - Bunny Angell

I was very pleased to judge the contest and enjoyed all of the letters and thank you for the honor.

As requested in a previous letter, I am enclosing

A black and white photograph of a street scene. On the left is a building with a sign that reads "THE Caribbean". To its right is a large, stylized sign for "QUALITY COURTS" shaped like a sunburst. Several vintage cars are parked along the street in front of the buildings. A utility pole stands in the foreground.

A black and white photograph of the Coble Homogenized Milk processing plant. A large, tall sign on the left reads "COBLE HOMOGENIZED Milk" and "COBLE". The building in the background has "COBLE" written on its side. A vintage truck is parked in front of the building, and a palm tree is on the right.

ACKNOWLEDGEMENTS

The production of this yearbook has taken numerous hours of hard work by the Seahawk staff along with the cooperation of many people.

First, I would like to thank Miss Sarah Singleton, our sponsor, who encouraged and guided the **Seahawk** Staff throughout the year. The hours she has spent on this yearbook have helped to make it a success.

Our thanks go to Mr. Cliff Carnes of Delmar Printing Company whose technical advice has been invaluable. Mr. David Dennis of Curry's Studios deserves a vote of thanks for his photography work with club and class pictures.

I would like to thank Mr. Teal and Mr. Doar for being so cooperative throughout the year. To Miss Thompsons and Mrs. Brunson go my appreciation for their assistance with financial matters. I would like to express my appreciation to the faculty for their cooperation with our picture-taking sessions.

The Student Body deserves a vote of thanks for their cooperation; without them this yearbook would not be possible. The yearbook advertisers also receive thanks, for without them this yearbook would not have been as good.

Thanks to our staff photographers Ham Avery and Mike Davis who took snapshots and club pictures. My appreciation to John Russ and Ted McCoy for their assistance with photography.

A special thanks to my parents and the parents of the entire staff for their understanding cooperation.

Finally, the entire staff deserves recognition for their many hours spent to make this yearbook the best yet.

I hope you shall enjoy this **Seahawk** Annual 1965 as much as I, along with the entire staff, have enjoyed producing it.

Bethie,

French really hasn't been the same since you moved. Truthfully you are a darling girl and a friend I cherish.

May your fondest dreams come true.

Love you,
Cindy Hope

Bethie,

Howdy! It's been a long, long time since you left and we have all really missed you a lot. It was awful quiet in French for a long time after you left. Beth, you're one of the cutest, sweetest girls in the world. You really are precious. I guess you'll have a ball reading all these cute little passages and remembering all of us. Keep me in mind when you get back to M.B. ^{me too} You are lucky to have such wonderful friends here.

Love ya!

Sara C.

Beth,
 we all enjoyed
 you living here
 and wish you still
 were but I'll still
 see you sometime. Don't
 forget me. Anne

Beth,
 it certainly
 is a pleasure
 knowing you in
 your room this
 we really miss and
 you moved.
 May you always
 have the best of
 luck.

In the State of South Carolina
 By the ocean blue
 Stately stands a noble structure,
 With its colors true.

Lift your voices, shout your praises,
 Over hill and dale,
 Here's to thee, our Alma Mater,
 Hail! Myrtle Beach, Hail!

Love ya
 Beekie Phil

Beth,
 I was a lot of fun
 stay and be as sweet as you are
 being in the club with you.
 Have a wonderful summer. Oh
 best of luck in everything
 you do. Hope to
 see you again
 soon,
 Beth

Later

*Now and when we have departed,
From thy halls afar,
May your true and lofty ideals
Be our guiding star.*

*Lift your voices, shout your praises,
Over hill and dale,
Here's to thee, our Alma Mater,
Hail! Myrtle Beach, Hail!*
